What does a Food Stamp look like? Like a Debit Card.

Customer benefits are deposited into personal accounts monthly. When it’s time to pay for your groceries, just swipe and enter your personal PIN code. It’s that easy.

How can I find out if I might be eligible for benefits? Use the Department’s quick and easy prescreening tool available at: www.myflorida.com/accessflorida. Then apply online at the same Web site, or go to a Department of Children and Families Service Center or an ACCESS Community Partner location listed on the back of this flier.

The Department of Children and Families complies with state and federal nondiscrimination laws and policies that prohibit discrimination based on age, color, disability, national origin, race, religion, or sex. It is unlawful to retaliate against individuals or groups on the basis of their participation in a complaint of discrimination or on the basis of their opposition to discriminatory practices.
