How Do I...?	Selections	Tips & Guidelines
<p>Assign Case and Reassign associated Ticklers.</p>	<ul style="list-style-type: none"> <li>▪ From the Desktop <b>Cases</b> expando, identify the case to be assigned, and then select <u>Actions</u> hyperlink next to the identified Case.</li> <li>▪ From the Actions pop-up, select <i>Create Assignment</i> radio button, and then click <b>Continue</b>.</li> <li>▪ To create an assignment to a unit worker:                             <ul style="list-style-type: none"> <li>▪ From the Create Worker Assignment page, select the radio button next to the unit worker to which you want to assign the case.</li> <li>▪ Select the appropriate dropdown for Type, Responsibility, and Role for these required fields.</li> </ul> </li> <li>▪ To create an assignment to a worker in another unit:                             <ul style="list-style-type: none"> <li>▪ Select the <i>County</i> or <i>State</i> radio button in the View By group box.</li> <li>▪ Click the County or State icon to expand the unit list.</li> <li>▪ Click the unit icon to expand the worker list.</li> <li>▪ Select the radio button next to the worker that you want to assign the case.</li> <li>▪ Select the Type, Responsibility, and then Role.</li> </ul> </li> <li>▪ To create an assignment to a worker using worker search:                             <ul style="list-style-type: none"> <li>▪ Select the Type, Responsibility, and then Role.</li> <li>▪ Click the <u>Search</u> hyperlink to search for, and then add the worker.</li> </ul> </li> <li>▪ Click <b>Assign</b>.</li> <li>▪ From the Tickler Reassignment page, select the applicable ticklers to reassign and then click <b>Save</b>.                             <ul style="list-style-type: none"> <li>▪ Selected ticklers are redirected to the new worker's desktop (Tickler Outliner).</li> </ul> </li> <li>▪ All ticklers retain their original due dates and escalation levels when reassigned.</li> </ul>	<p><i>FSFN automatically generates an email to the workers to notify them of the new assignment.</i></p> <p><i>To sort unit works by title, select the Position Title radio button.</i></p> <p><i>If the case has been previously assigned, the Tickler Reassignment page displays for you to confirm. Click <b>Save</b>.</i></p>
<p>Close Assignment to yourself, another supervisor, or worker if you have assignment to case</p>	<ul style="list-style-type: none"> <li>▪ From the Desktop <b>Cases</b> expando, click the selected <b>Case</b> icon to expand the casework.</li> <li>▪ Click the <b>Assignment</b> icon to expand the worker assignments.</li> <li>▪ Click the appropriate <u>worker name</u> hyperlink.</li> <li>▪ From the Worker Assignment page, select the End Assignment* radio button from the status group box, click <b>Save</b> and then <b>Close</b>.</li> </ul> <p>*The system checks to see if an incomplete approval chain exist for the worker whose assignment is being closed. When an incomplete approval chain exists, a message box is displayed stating, "Pending approvals exist for this worker. Approval process must be completed before assignment can be closed." The assignment closure process terminates allowing the supervisor and worker to complete outstanding approvals. If no incomplete approval chains exist, the assignment closure process completes.</p>	<p><i>Assignment cannot be closed if incomplete approvals exist.</i></p> <p><i>The supervisor is not allowed to manually end the last assignment on a case.</i></p>
<p>Reassign Ticklers via assignment process (current assignment closed)</p>	<ul style="list-style-type: none"> <li>▪ From the Desktop, expand <b>Worker</b> expando, expand the icon for the worker, identify the case or provider work to be assigned, and then select <u>Actions</u> hyperlink next to the identified case or provider.</li> <li>▪ From the Actions pop-up, select <i>Assignment Maintenance</i> radio button, and then click <b>Continue</b>.</li> <li>▪ From the Worker Assignment page, select <i>End Assignment</i> radio button in the Current Worker Status group box, and then click <b>Reassign</b>.</li> </ul>	<p><i>If the existing assignment is ended, the tickler assignment page does <b>not</b> appear and all existing ticklers are automatically routed to the newly assigned worker.</i></p> <p><i>You cannot close a primary assignment unless you are creating a new primary assignment.</i></p>

How Do I...?	Selections	Tips & Guidelines
<p>Approve Case/Provider work</p>	<ul style="list-style-type: none"> <li>▪ From the Desktop, expand the Approvals expando and expand <b>My Approvals</b>.</li> <li>▪ Choose the icon next to the Case or Provider work to be approved.</li> <li>▪ Drill down to the applicable pending approval item then click the <u>case or provider</u> hyperlink.</li> <li>▪ From the applicable page, select Approval from the Options list and click <b>Go</b>.</li> <li>▪ From the Approval History page, select the appropriate Approval Decision radio button and then click <b>Continue</b>.</li> </ul> <p><i>Approval Decision selections:</i></p> <ul style="list-style-type: none"> <li>▪ <b>Approve</b> - to approve the work and forward for Supervisory Approval, if needed.</li> <li>▪ <b>Reroute</b> - to forward work for approval to another worker using the Create Worker Assignment page.</li> <li>▪ <b>Recall/Return</b> - to recall or return work that has been submitted for approval. Work is recalled when any item on the page is changed. The approval process must be re-initiated.</li> <li>▪ <b>Not Approve</b> - to finalize work that is not receiving approval. The work is "frozen" with a status of Not Approved.</li> <li>▪ From the applicable Placement History page, click <b>Save</b> and then <b>Close</b>.</li> </ul>	<p><i>Note: The Pending Approvals display under My Approvals expando, accessed via the Approvals expando on the Desktop.</i></p>
<p>View Approval History</p>	<ul style="list-style-type: none"> <li>▪ From a page requiring approval, select <b>Approval</b> from the Options dropdown list, and then click the <b>Go</b> button. The Approval History page displays.</li> </ul> <p><i>Approval History Status descriptions:</i></p> <ul style="list-style-type: none"> <li>▪ <b>Initial Status/Initial Action:</b> Item has been created by original worker but not approved</li> <li>▪ <b>Pending Status/Approved Action:</b> Item is in Pending status in the approval process but has been approved by original worker</li> <li>▪ <b>Pending Status/Received Action:</b> Item is in Pending status in the approval process but has been received by next approver or supervisor</li> <li>▪ <b>Approved Status/Approved Action:</b> Item has completed the approval process</li> <li>▪ <b>Not Approved Status/Not Approved Action:</b> Item has completed the approval process</li> </ul>	<p><i>Approval History page displays a historical view of each person in the approval chain, their status, and the date on which the status was designated. The most recent approval is displayed first.</i></p>
<p>Add/View Approval Comments</p>	<ul style="list-style-type: none"> <li>▪ From the Desktop, expand the Approvals expando then expand <b>My Approvals</b>. Click the icon for the case selected. Select the icon for the piece of work pending Approval, and then click the <u>Actions</u> hyperlink.</li> <li>▪ On the Select Action page, select Comments and click <b>Continue</b>. Comments pop-up page displays.</li> <li>▪ Enter appropriate comment, click <b>Save</b>, and then click <b>Close</b>.</li> </ul>	<p><i>Use the Comments Pop-up page to add a comment to a document that is in the approval process. Any user involved in the approval history can document and view comments added to a document.</i></p>

How Do I...?	Selections	Tips & Guidelines
<p>Manage Pending Approvals</p>	<ul style="list-style-type: none"> <li>▪ From the Desktop, select <i>Utilities &gt; Approval Management</i>. The Approval Management page displays.</li> <li>▪ In the Approval Activity group box:                             <ul style="list-style-type: none"> <li>▪ If Manage My Pending Approvals is checked, either select a worker from the Worker dropdown list, or select All workers.</li> <li>▪ If Reroute Worker Approvals is checked, select the worker from the Worker dropdown list. See Reroute Worker Approvals</li> </ul> </li> <li>▪ In the Manage My Pending Approvals group box, click the check box next to the work requiring approval.</li> <li>▪ In the Approval Decision group box, select an Approval Decision, and click <b>Save</b>.</li> <li>▪ Continue the preceding two steps until all desired cases have been processed for approval, and then click <b>Close</b>.</li> <li>▪ To view the case prior to approval, click the hyperlink next to the case in the Work Type column. The page displays.                             <ul style="list-style-type: none"> <li>▪ If you review the page and then click Close the page, you are returned to the Manage My Pending Approvals page for an approval decision.</li> <li>▪ If you review the page, select Approval from the Options dropdown list, and then click Go, The Approval History page displays. Select the Approval Decision, and then click <b>Save</b>.</li> </ul> </li> <li>▪ Click <b>Close</b>.</li> </ul>	<p><i>The Manage My Pending Approvals page displays work that has been approved by a worker and forwarded to a supervisor. The work can also be viewed prior to approval.</i></p> <p><i>Approvals with a status of Initial will not appear on the Manage My Pending Approvals activity.</i></p> <p><i>Review the work prior to making the approval decision by clicking the links in the Work Type column.</i></p>
<p>Reroute Worker Approvals</p>	<ul style="list-style-type: none"> <li>▪ From the Desktop, select <i>Utilities &gt; Approval Management</i>.</li> <li>▪ From the Approval Management page, click Reroute Worker Approvals radio button.</li> <li>▪ In the Worker field, select the name of the worker for whom you will be rerouting approvals.</li> <li>▪ Select the checkbox(es) adjacent to the work item(s) you will be rerouting.</li> <li>▪ From the Select Receiving Worker group box, click the <u>Select Worker</u> hyperlink.</li> <li>▪ From the Reroute Worker Approval pop-up page, select the worker who will be receiving the rerouted approvals.</li> <li>▪ Click <b>Continue</b> and then click <b>Save</b>.</li> </ul>	<p><i>Useful when a worker has left the agency and approvals need to be routed to another worker so that the original worker can be inactivated.</i></p>

## Case Actions

## Supervisory How Do I...Guide

How Do I...?	Selections	Tips & Guidelines
De-Link a Mistakenly Linked Services Referral from a Case	<ul style="list-style-type: none"> <li>From the Desktop <b>Cases</b> expando, select the <u>case name</u> hyperlink.</li> <li>From the Maintain Case page, select <u>Delink Intake</u> from the Options list and then click <b>Go</b>.</li> <li>Select the applicable referral/intake radio button.</li> <li>Click Yes to the message, 'Are you sure you want to de-link the current case?'</li> <li>Click <b>Save</b>, and then click <b>Close</b>.</li> </ul>	
Remove Person Mistakenly Added to Case	<ul style="list-style-type: none"> <li>From the Desktop Cases expando, click on the <u>case name</u> hyperlink.</li> <li>From the Maintain Case page, select the <u>Remove</u> hyperlink for the appropriate participant to be removed from the selected case.</li> <li>Click Yes to the message, 'Are you sure you want to remove this Case participant?'</li> <li>Click <b>Save</b>. The name will remain in the case with a <u>Reactivate</u> link next to the name.</li> <li>Click <b>Close</b>.</li> </ul>	<p><i>Only a supervisor can remove a participant who has been erroneously added to a case and who is not associated with any open casework.</i></p> <p><i>A worker or a supervisor can deactivate a participant who will be a participant in the case but just not an active participant. Please see the Case Maintenance How Do I guide for more information on deactivating a participant.</i></p>

## Tickler Management

## Supervisory How Do I...Guide

How Do I...?	Selections	Tips & Guidelines
Reassign Tickler to another worker	<ul style="list-style-type: none"> <li>From the Desktop, select <i>Utilities &gt; Tickler Management</i>.</li> <li>From the Tickler Management page, select the Tickler Reassignment radio button. <ul style="list-style-type: none"> <li>In the Worker field, select the worker whose ticklers must be reassigned.</li> <li>In the Case/Provider field, select the case or provider with ticklers to be reassigned.</li> <li>The Tickler Reassignment group box will display all ticklers that can be reassigned for the case.</li> <li>For each tickler to be reassigned, select the appropriate worker in the corresponding <i>Reassign Tickler To</i> field.</li> </ul> </li> <li>Click <b>Save</b>.</li> <li>Click Yes to the message, 'The selected ticklers will be reassigned and the associated escalated ticklers will be deleted. Are you sure you want to do this?'</li> <li>Click <b>Close</b>.</li> </ul>	<p><i>Supervisors can only reassign ticklers for their own workers.</i></p> <p><i>Ticklers can only be reassigned to another worker who has an open active assignment to the case or provider associated with the selected tickler. .</i></p> <p><i>AFCARS ticklers cannot be reassigned.</i></p>
Delete a Tickler	<ul style="list-style-type: none"> <li>From the Desktop, select <i>Utilities &gt; Tickler Management</i>.</li> <li>From the Tickler Management page, select the Tickler Deletion radio button.</li> <li>From the Tickler Deletion group box/Worker field, select the worker whose ticklers must be deleted. The Tickler Deletion group box updates to reflect the ticklers available for deletion.</li> <li>Click the <b>Delete</b> checkbox for each tickler to be deleted.</li> <li>Click <b>Save</b>.</li> <li>Click Yes to the message, 'The selected ticklers will be reassigned and the associated escalated ticklers will be deleted. Are you sure you want to do this?'</li> <li>Click <b>Close</b>.</li> </ul>	<p><i>Supervisors can only delete ticklers for their own workers.</i></p> <p><i>Supervisors cannot delete their own ticklers.</i></p> <p><i>AFCARS ticklers cannot be deleted.</i></p>

View Ticklers for a Worker	<ul style="list-style-type: none"> <li>▪ From the <b>Workers</b> expando on the Desktop, click the <b>Supervisor</b> icon to expand the outliner to view all workers.</li> <li>▪ Click the Worker icon to expand the appropriate worker who is assigned to the case or provider.</li> <li>▪ Select the <u>Actions</u> hyperlink for the appropriate case or provider.</li> <li>▪ Select <i>View Ticklers</i> radio button, and click <b>Continue</b>.</li> <li>▪ View Tickler page displays.</li> </ul>	
----------------------------	---	--

<b>Alert Management</b>		<i>Supervisory How Do I...Guide</i>
<b>How Do I...?</b>	<b>Selections</b>	<b>Tips &amp; Guidelines</b>
View/Create an Alert	<ul style="list-style-type: none"> <li>▪ From the Desktop, click the <b>Cases</b> expando, and then click the <u>Actions</u> hyperlink next to the selected case name.</li> <li>▪ From the Actions pop-up, select Create Alert radio button, and then click Continue.</li> <li>▪ From the Maintain Alert page, enter the Alert Information: <ul style="list-style-type: none"> <li>▪ Enter the alert text description in the <i>Narrative</i> field.</li> <li>▪ Select the <i>Alert Type</i>.</li> <li>▪ Enter the Missing Person group box information: To add a person to the Missing Person group box, click <b>Insert</b>. The Case Participants and Collaterals pop-up displays. Select appropriate checkbox, and click <b>Continue</b>. FSFN adds each selected person to the Missing Person group box table.</li> <li>▪ To remove a person from the Missing Person group box, click the <u>Delete</u> hyperlink next to the person. The system displays verification pop-up. Click 'Yes' to delete or click 'No' to cancel the action.</li> <li>▪ If the person you wish to add does not display in the pop-up, you will need to add the person to the Maintain Case Window. See Maintain Case.</li> </ul> </li> <li>▪ If applicable, enter the Other Person group box information in the same manner as entering the missing Person group box information. The system adds each selected person to the Other Person group box table. To remove a person from the Other Person group box, follow the same steps described for removing person form Missing Person group box.</li> <li>▪ Enter the Worker Information: <ul style="list-style-type: none"> <li>▪ From the Worker Information group box, click <u>Search</u> hyperlink. The Worker Search pop-up displays.</li> <li>▪ Search for, and then select the radio button for worker initiating the Alert.</li> <li>▪ Click <b>Continue</b>. Worker Search pop-up closes.</li> </ul> </li> <li>▪ Click <b>Save</b>, and then click <b>Close</b>.</li> </ul>	<p><i>Only supervisors are authorized to create an Alert. Once an Alert is created, it can be renewed to extend or expired by the supervisor.</i></p> <p><i>You can view an Alert from your Desktop if the associated case is assigned to you or by completing a person or case search.</i></p>
Renew an Alert	<ul style="list-style-type: none"> <li>▪ Expand the Cases expando, and choose the selected case, which has the Alert icon. Expand the icon, and click on the <u>Alert</u> hyperlink.</li> <li>▪ This opens the Maintain Alert page.</li> <li>▪ Enter the Renewed Date. The system defaults the expiration date to be 180 days from the Renew Date.</li> <li>▪ Click <b>Save</b>, and then click <b>Close</b>. The system saves and closes the Maintain Alert page.</li> </ul>	<p><i>Only authorized staff have security access to renew an alert</i></p>
End an Alert	<ul style="list-style-type: none"> <li>▪ Open the Maintain Alert page. See View/Create an Alert to complete these steps.</li> <li>▪ From the Maintain Alert page, enter the Expiration Date.</li> <li>▪ Click <b>Save</b>, and then click <b>Close</b>. The system saves and closes the Maintain Alert page.</li> </ul>	

How Do I...?	Selections	Tips & Guidelines
Add or delete a checklist item	<ul style="list-style-type: none"> <li>▪ From the Desktop select Maintain &gt; <i>Checklist Template</i>. The Select Checklist Template page displays.</li> <li>▪ Select the desired Checklist from the Select Template dropdown. Click Continue.</li> <li>▪ The chosen Checklist Template will display.</li> <li>▪ To insert another checklist item not pre-populated, click the Insert button and another row will appear. Enter the additional checklist item.</li> <li>▪ To delete a checklist item, click the delete hyperlink next to the checklist item to be deleted.</li> <li>▪ Click <b>Save</b>.</li> </ul>
