Child Investigations Leader Board Report

Functionality Overview

There are several changes needed to the Child Investigations Leader Board Report to reflect the changes for the organization structure and transformed Investigation process.

Any existing columns that are not included in the layout below are no longer applicable and are removed from the report.

This report runs as a scheduled monthly process for the period of the preceding month. These scheduled runs are stored historically.

Selection Processing

This report selects data based on the following criteria.

Universe	Business Rules
Child Investigations	Select all Child Investigations that were closed in the month preceding the report run date.

Report Layout

Organization				Total Closed	Commenced within 24 Hours		Alleged Victims Seen within 24 Hours		Closed within 60 Days		Closed after 60 Days
