Increasing permanency for children in Florida’s foster care system is what One Church One Child has been doing for over two decades. The past year, One Church One Child continued to address the crisis of minority children waiting in foster care for adoption and the practice of supporting waiting children. One Church One Child’s focus is on the effective grassroots approach of partnering with churches to recruit families interested in adoption.

One Church One Child has a lot to be proud of. We continue to help increase the number of families coming forward and leverage communities in efforts to ensure permanency for children. One Church One Child signed up additional churches to partner in local communities throughout Florida.

One Church One Child stepped up efforts to further engage the faith community in adding prevention, intervention and promotion of adoption and support for families.

Recognizing the resourcefulness of the churches, One Church One Child continued a series of Education Forums in all six (6) Department of Children and Families Regions. The accomplished goal was to educate church leaders on the plight of children waiting in foster care and to engage churches across the state in promotion of adoption by allowing display stands and photo-listings with pictures of waiting children to be placed in the church, encouraging families to consider adoption and referring interested families to One Church One Child.

These accomplishments are possible thanks to continued support from churches, individuals, communities, business, foundations and governmental partners. We deeply appreciate your commitment to our work.

Sincerely,

Rev. Beverly Hills Lane
President

Dr. Arie Sailor
Executive Director/CEO

“Increasing permanency for Florida’s Children through prevention, intervention, adoption promotion, and support for families.”
Vision

One Church One Child of Florida’s vision is to be the premier leader in providing permanency for minority children through prevention, intervention, adoption promotion and support for families.

Mission

Our mission is to partner with churches and the greater community to increase permanency for minority children through prevention, intervention, adoption promotion, and family support services.

Values

- A holistic/faith approach
- The varied dimensions of individuals and families
- The importance of relationships
- Empowering those we serve
- Partnerships and collaborations in communities
- High quality, sufficient, consistent, integrated, timely and transparent services
One Church One Child’s (OCOC) legislation and its corporate mission cite the adoption of minority children as its primary goal. To that end, Board Members and staff predominately reach out to communities through pastors and churches to recruit families to adopt children from foster care. The basic principle of the organization is to “find at least one family per church to adopt at least one child from foster care.”

**Plans for the year included:**

- **Organizing resources** - determining regional adoption goals based on the number of children on the Explore Adoption website.
- **Referring families** - to Community-Based Care (CBC) Lead Agencies or other child placing agencies in Florida for adoptive parent training prior to completion of an adoption home study.
- **Recruiting churches within regions** - presenting OCOC’s case for support, explaining procedures and support tools, answering questions, and confirming participation with churches signing a Memorandum of Understanding (MOU).
- **Publicizing the need via photo-listings and media kickoffs** - photos of available children with brief information on the children and related information are shared with local media and with participating churches; and sponsoring major adoption recruitment kickoffs events educating and engaging churches and other community leaders in addressing the crisis of waiting minority children.
- **Reporting results** - tracking and monitoring all referrals of families with reports to Department of Children and Families (DCF) and CBC and completing a year-end report.

In planning, preparing and implementing the goals for the year, the board members not only donated countless hours of time and effort participating in board meetings but also in, subcommittees, workgroups and small session meetings.

Historically, One Church One Child was first implemented in the State of Illinois when the Secretary of the Illinois Department of Human Services, Greg Coler, and Deputy Secretary Gordon Johnson sought out Father George Clements to help them in addressing the disproportionate number of minority children lingering in foster care. In 1988, Greg Coler became Secretary of the Florida Department of Children and Families and implemented the successful minority adoption recruitment program in Florida. In 1990, the Florida Legislature passed the One Church One Child of Florida Corporation Act (s.409.1755, F.S.). This Act mandated OCOC too operationalize as a non-profit corporation with a Board of Directors appointed by the Governor. The program currently has a 13-member Board of Directors, to carry out the intent of the law. Board members serve a minimum 3-year term. The current
Board was appointed/reappointed August 1, 2013 by Governor Rick Scott, filling 13 of the 23 slots. The next board appointments/reappointments are scheduled for December 2014.

Summary of the Organization

One Church One Child operates out of a statewide headquarters located in Tallahassee and has satellite offices in Jacksonville (Northeast Region), Tampa (SunCoast Region) and West Palm Beach (Southeast Region).

Staff in the headquarters office include a full-time Executive Director, Deputy Director, Community Coordinator, Administrative Assistant, and volunteers. The Executive Director and Community Coordinator were hired in January 2003; the Deputy Director was hired in October 2007, and the Administrative Assistant was hired in September 2013. The satellite office in Jacksonville and Tampa include a Recruitment Coordinator in each site. The Jacksonville staff was hired in October 2013 and the Tampa staff was hired in September 2010. The West Palm Beach office is staffed by a part-time Volunteer Adoption Recruiter.

OCOC works in partnership with churches, local businesses, agencies and entities such as, Daniel Memorial, Jacksonville Community Council, Chapters of Buffalo Soldiers in Tallahassee, Jacksonville and Tampa, Governor’s Office on Adoption and Child Protection, local Heart Galleries, Florida A&M University and Florida State University Social Work Programs, Florida Coalition for Children, Family Support Services of NE Florida, Eckerd Youth Alternatives, Partnership for Strong Families, OurKids Miami Dade and Monroe, Children’s Network of Southwest Florida, Families First Network, Florida Baptist Children’s Home, Children’s Home Society and other Community-Based Care Agencies and continues its partnership with the Department of Children and Families.

State Board Members, advisory committee members and staff, in conjunction with members of the community, are involved in efforts to recruit adoptive and foster families. Volunteers also work with the state board members to support local recruitment efforts and their volunteer hours are captured on OCOC time tracking logs. Statewide statistics show this year that 4,093 volunteer hours were logged by advisory committee members, university interns and other volunteers, and 1,513 hours of volunteer hours were logged by state board members for a total year-to-date of 5,606 volunteer hours. The total volunteer hours were valued at $72,878. Volunteer hours were calculated from the number of hours State Board Members and local Advisory Committee Members donated to One Church One Child through recruitment activities. The total dollar value was calculated multiplying the total number of volunteer hours by the allowed $13.00 an hour.

As indicated above, One Church One Child has experienced changes and transitions from a program of the Department of Children and Families, to a licensed child placing agency, and currently to a nonprofit adoption recruitment organization. In fulfillment of our role, One
Church One Child has implemented this innovative campaign to increase adoption resources and involve more churches in partnering to recruit families interested in adopting, fostering, and/or mentoring. The report also highlights the agency’s overall accomplishments for state fiscal year 2013-2014.
