Eligibility Reports

1) Title IV-E Determination Due Report - Identifies IV-E Foster Care eligibility records that have not been completed. Redeterminations will appear 11 months after the effective date.

2) Adoption Determination Due Report - Identifies IV-E Adoption and TANF Adoption eligibility records as soon as the adoption request is created. This stays on the report until the adoption subsidy eligibility determination is complete.

3) TANF Determination Due Report – This report lists all TANF (200% of eligibility) records that are not completed and those that have an 'effective to' date that is within 30 days of the report date. Generally, the redetermination due will appear on the report during the 11th month.

4) Medicaid Activities - Identifies all Medicaid Eligibility activity including initial determination, redetermination, updated demographics, request for a card, or cancelled Medicaid determination record within the reporting period. The purpose of this report is to provide eligibility workers with all the Medicaid activity that occurred during the reporting period.

5) Placement Change Report – The purpose of this report is to alert eligibility workers that there has been a change in the placement status of a child in care. This report lists all children who had a change in placement during the reporting period.

6) Florida Submission Report - this report details the cases that are to be submitted to FLORIDA; what has come back from FLORIDA; or what is still pending (awaiting response from FLORIDA).
