**MOTION TO PLACE CHILD(REN) IN A PERMANENT GUARDIANSHIP AND TO
TERMINATE PROTECTIVE SUPERVISION**

COMES NOW the Florida Department of Children and Families (the Department), by and through the undersigned legal counsel, and pursuant to Rule 8.345, Fla.R.Juv.P., and Fla. Stat. Sec. 39.6221, moves this Court for entry of an order placing the child(ren) in a permanent guardianship and to terminating protective supervision. In support of its motion, the Department states as follows:

1. The above-named child(ren) was/were adjudicated dependent and subsequently placed in the temporary legal custody of _____, the proposed permanent guardian, under protective supervision.
2. The child(ren) has/have been in the placement for not less than the preceding 6 months.
3. The proposed permanent guardian is suitable and able to provide a safe and permanent home for the child(ren).

4. The child(ren) and the proposed permanent guardian are not likely to need supervision or services of the Department to ensure the stability of the permanent guardianship.

5. The proposed permanent guardian has made a commitment to provide for the child(ren) until the child(ren) reach(es) the age of majority and to prepare the child(ren) for adulthood and independence.

6. The proposed permanent guardian agrees to give notice of any change in his or her residential address or the residence of the child(ren) by filing a written document in the dependency file of the child(ren) with the clerk of the court.

7. Reunification with the parent(s) at this time would be contrary to the welfare and not in the best interest of the child(ren). The parents are not fit to care for the child(ren) and reunification is not possible because of the circumstances from which the Court previously based its finding that the children are dependent in the order of adjudication. In addition:

8. Reasonable efforts were made to prevent, or eliminate the need for removal of the child(ren) from the home by the Department; however, there is a continued need for out-of-home placement to ensure the child(ren)'s health, safety and well being.

9. The permanent guardianship is in the best interest of the child(ren) instead of adoption because: [For example: Adoption has been discussed with the current custodian, and the custodian does not want to adopt the child(ren). The child(ren) has/have spent a significant amount of time with the custodian since _____ and removal from this

placement is not in the best interest of the child(ren). The custodian will not be approved to adopt because: _____. The child(ren) is/are 12 years of age or older and does/do not want to be adopted. The custodian is protective of the child(ren) and all parties agree that the parent(s) should be able to maintain some contact with the child(ren).]

10. The Department recommends that the frequency and nature of visitation or contact between the child(ren) and the parents be as follows:

Mother: :

Supervised visitation with the children. The visitation shall be supervised at all times by the permanent guardian or an adult approved by the Department. The visitation shall occur on a schedule agreed by the parties and at a place agreed by the parties. The frequency of the visitation shall be:

Other conditions: _____.

Father: _____

G No contact. Reason: _____.

G Other conditions: _____.

11. The frequency and nature of visitation or contact between the child(ren) and any siblings:

12. The proposed permanent guardian agrees not to return the child(ren) to the physical care and custody of the person from whom the child(ren) was/were removed without the approval of the Court.

WHEREFORE the Department respectfully requests entry of an order to place the child(ren) in a permanent guardianship, terminating protective supervision, and retaining jurisdiction and such other relief as the court may deem proper.

Respectfully submitted,
