Date: _______________  Interviewed by: __________________________

Parent's Name: ________________________  Case Name: ________________

CBC/Case Management Agency: __________________________

1. Why are you involved in the child welfare system?

2. Do you have a case plan?

3. Do you understand what is required of you to complete your plan?

4. How did you participate in the development of your case plan?

5. Would you change anything about your case plan if you could?

6. How often does your caseworker visit you?

7. Does the caseworker visit your home or are visits elsewhere?

8. When was the last time you saw the caseworker?

9. What do you and the caseworker talk about during your visits?

10. Can you reach your caseworker when you need to?

11. Does your caseworker respond to your calls or requests for information or assistance?

12. What kinds of services are you currently receiving?

13. Do you think the services are helping you and your family?

(Parent Interview Guide continued)
14. Are there other services you need?

15. If yes, have you discussed this with the caseworker?

16. Who and what would you identify as your support system?

**If the child is in licensed foster care:**

17. Have you told your caseworker about relatives that might be able to care for your child?

18. Were your relatives contacted?

19. Do you have regular visits with your child?

20. Are you involved in making decisions about your child and kept informed of case work activities?

21. Was the agency able to maintain your child in the same neighborhood and school he or she attended prior to coming into care?

22. Are you kept informed of court hearings and staffings?

23. Are you kept informed and involved (if applicable) with the school progress, medical and educational services your child receives?

24. Are you included in your child’s extracurricular activities?

25. Is there anything else you would like to discuss in relationship to your child and this case?
