Systemic Interview Questions Regarding Agency Responsiveness to the Community for In-Depth Practice Review

Date: ________________  CBC: _____________________________
Interviewee(s): _____________________________________________________
Interviewed by:_____________________________________________________

1. How effectively does the CBC engage in ongoing consultation with:
   - tribal representatives?
   - consumers?
   - service providers?
   - foster care providers?
   - juvenile court?
   - other public and private child and family serving agencies?

2. How is input from the community incorporated into the system of care?
